## Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool Revised October 2018

Commissioned by **Department for Education** 

**Created by** 

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the <u>Ofsted Schools Inspection Framework</u>, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively <u>governors</u> hold them to account for this.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click HERE. Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul> <li>Use of a specialist sports coach to model teaching for school staff and provide access to high quality PE teaching for children. This has embedded the teaching of Real PE and allowed staff CPD in order to now teach effective PE themselves.</li> <li>Participation in Sports Partnership Events which enable a wide variety of children to try different sports and activities and compete against other schools.</li> <li>Enhanced provision for PE through the purchasing of equipment for both indoor and outdoor activity.</li> <li>Use of Sports Coach in Sports week (July) to provide quality whole school activities.</li> <li>Use of specialist Sports Coach to help organise and run whole school Sports day.</li> <li>Increase activity levels and wellbeing of targeted children through participation in Real Play program.</li> <li>All KS1 classes have a teacher led fitness break each day (where PE has not been taught) to ensure that children are all being active daily.</li> </ul>	<ul> <li>Increase subject knowledge and confidence of staff to deliver high quality Real Dance lessons themselves. (next steps from real PE training 24.3.21)</li> <li>To increase the amount of children participating in sports festivals through the Partnership cluster. (research shows that opportunities to represent school community at key events is beneficial for the emotional health and wellbeing of young children.)</li> <li>Increase levels of purposeful, active physical activity at playtimes and lunchtimes. (playground observations)</li> <li>Promoting a sense of community by providing a school sports kit for festivals. (at recent events our school is one of the few that does not have a designated kit)</li> <li>To increase participation in extra -curricular sports for disadvantaged children. (link to Pupil Premium Statement objectives 2020/2021 and evaluation from 19/20)</li> <li>To increase extra -curricular opportunities for hockey across school. (Year 1 and Year 2)</li> </ul>
