

Our priorities are:

1. All children make excellent progress in all areas of their learning and development.
2. All children will be encouraged to show respect and develop a creative, engaged approach to learning.
3. All staff have will have the appropriate support and skills necessary to provide our children with an outstanding education.
4. The school will manage its resources effectively, leading to Value for Money (VfM) and a positive impact for all children.
5. We improve the information flow between governors, school and stakeholders, to add value and take our place the unique community that is Hayling Island.
6. Computing will be fundamental to producing progressive learning, whereby staff and pupils will show confidence and adaptability for the changing futures that technology will produce.
7. The school will promote a culture of high attendance where aspiration, motivation, respect and support are paramount.
