

Ho ho ho...

FRIENDS OF MENGHAM INFANT SCHOOL

CHRISTMAS IS COMING

AUTUMN TERM 2 2022

Thank you to those of you who came along to our AGM, we want to show a warm welcome to our newest members Sue, Jess E, Jess P, Em and Emma. Our Chair has been decided and key positions assigned so we've been busy planning to make this our most successful year yet. Alongside our fundraisers we have been planning many fun activities for the children and we really do hope they enjoy what we have planned as the smiles make it all worthwhile.

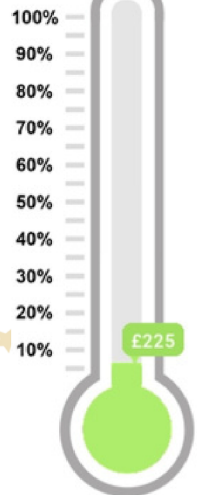

Our challenge for the year has now been set - raising the remainder of the funds for a replacement trim trail! The best quote from an accredited supplier has been £15,000 and the school have £11,500 set aside in the budget, this leaves us with £3,500 to find. It's therefore all hands on deck so, as ever, we are still on the lookout for likeminded-people to join us, so if you have a passion for making our school the best it can be then get in touch! (details at the bottom of the page).

We wish you all a (very early!) fabulous Christmas and New Year!

FOMS

We wanted to have a visual way to show you the progress we are making towards our goal of raising funds for the replacement trim trail so...introducing our new fundraising thermometer! As you can see we are already well on our way, having raised £225 in the first term. Thank you everyone for your kind donations and fundraising efforts. We have yet to add in the money raised from FundRaisin but this will be added as soon as we have the figures.

Goal: £3500
