

## **ADDITIONAL PERMISSION FORM**

This 'blanket permission' covers several aspects of our curriculum and will help us to maintain your child's health and wellbeing as well as giving us permission to include them in every aspect of school life. Please read the following information, sign each section and return the completed form.

We will assume that, if you have NOT signed a particular section, you DO NOT wish your child to participate in this particular activity.

From time to time separate letters will be sent home for parental permission if additional activities/trips/events have been set up during the academic year.

### **Parental use of video/camcorder recordings and photographs taken at school events (i.e., assemblies, sports day, school productions)**

To comply with strict General Data Protection Regulations all parents are required to read and sign the following statement:

"I agree that any video/camcorder recording and/or photographs taken whilst attending any school activities or events will be strictly for home use only and will not be posted on the Internet, Facebook, WhatsApp, YouTube, etc or any other social media site"

**Signed (Parent/Carer):** ..... **Date:** .....

### **Learning Platforms and External Support Agencies**

We use a variety of learning platforms and support services both internally and externally to support your child's learning and time at Mengham Infant School (e.g., SeeSaw, Numbots, School Librarian). Data is uploaded on to these external systems in order for your child and/or the school staff to access it.

All of the external agencies we use for these purposes are compliant with the General Data Protection Regulations (GDPR).

If you require further details of the agencies we use, please do not hesitate to contact the school office who can provide this information.

I have read and understand the school uses Learning Platforms and External Support Agencies.

**Friends of Mengham School**

Our Friends of Mengham School host after school activities and fund raising events regularly during the school academic year. These events/activities are run independently and in doing so they use lists of children's names to check who has requested to attend or take part. We also share any allergy or medical information with FOMs to ensure your child is included should there be any prizes/gifts handed out. FOMs also send separate letters home.

I give permission for my child's name and details to be passed to FOMs.

**Signed (Parent/Carer):** ..... **Date:** .....

**Animal Handling**

At times there may be opportunities for your child to help care for and handle animals, for example: chicks at Easter.

I give permission for my child to handle and care for any animals in school or to participate in activities involving caring for animals and I understand the risk of my child being accidentally scratched.

**Signed (Parent/Carer):** ..... **Date:** .....

**Food Technology**

As part of their studies children may be given the opportunity to taste/cook food or drinks in relation to a particular topic.

I give permission for my child to take part in the cooking and tasting of food and drink.

**Signed (Parent/Carer):** ..... **Date:** .....

**Fruit**

As part of a government initiative, children have access to a daily piece of fruit or vegetables. Occasionally we have fruit tasting sessions within class.

I give permission for my child to have a piece of fruit in school and take part in tasting sessions.
